MOTHERS' COUNCIL ATTENDANCE BIG

Parents Meet Teachers at
Function in School
Library.

TO HEAR MRS. KIERMAN

A "Get-acquainted" party was held last Friday in the library of the school under the auspices of the Mothers' Association. It was a most successful gathering and proved to be the largest meeting since the Council was organized.

Each grade teacher had a receiving corner of her own, so that mothers could easily find the teacher whom they most wished to meet. This division into groups gave the mothers an opportunity to meet each other as well as the teachers.

During the evening Principal George H. Wilson introduced all of the teachers, new and old, to the mothers and a few words of welcome and advice were given by Miss Wetherill, Miss Hoover, Miss Tyson, and Mr. Wilson.

There was special interest shown in meeting Miss Williams, the head of the kindergarten, as this department has very recently been added to the school. The kindergarten is only a few weeks old and the large attendance is proof of the interest of parents and the need of this department.

Refreshments were served during the evening by the hospitality committee under Mrs. Robert J. Nash.

This meeting which opened the council's season, also gave the keynote to the council's work, which is an effort to bring the parents and school closer together and strengthen their mutual understanding.

For its next meeting, on Monday evening, October 10, the Mothers' Council is very fortunate in having as its guest and speaker, Mrs. E. E. Kiernan, who is the corresponding secretary of the National Congress of Parents and Teachers, and the former president of the Mothers' Congress of Pennsylvania. She is one of the pioneers of the movement in this State and will have a message of interest to all mothers and fathers in Narberth. The meeting is open to all parents and an informal discussion will follow Mrs. Kiernan's talk.

The Narberth Mothers' Council recently received recognition in the county wide organization having the same purpose, when Mrs. R. G. Aungst, the Narberth president, was appointed on the executive board of the Montgomery County Parent-Teachers' Association.

THREE DAIRIES IN MERGER MOVEMENT

Highland, of Bryn Mawr,
Joins With Supplee, Unit
of N. D. P. Co.

OTHER CHANGES NOTED

Dairies serving the Main Line with milk and associated products are being swept into the States-wide combine now being effected in the dairy industry of the East. Three organizations in Milk Control District No. 1 of which Lower Merion is a part, have already been effected by amalgamations, according to information which became public Monday at the township Board of Health meeting in Ardmore.

The three are the Highland Dairies in Bryn Mawr, which has a large Narberth clientele, the Delchester Farms, located on the West Chester pike, and the Willow Grove Dairies in the upper part of Montgomery county.

Milk Control Officer George W. Grim in his report to the Board, stated that the Delchester Farms have retired from the retail milk business and that their inspected raw milk is now being offered for sale through this district by Abbotts Alderney Dairies, Inc.

The other two county dairies, Highland and Willow Grove, have been acquired by the Supplee-Willis-Jones Company, an important unit in the National Dairy Products Company, which has holdings in several States. The Willow Grove Dairies have retired completely from the milk business and its retail trade has been sold to Supplee-Willis-Jones, Dr. Grimm declared in his report.

At Bryn Mawr, Edward Woolman, head of the Highland Dairies, verified the information of his organization joining with Supplee-Willis-Jones and the National Dairy Products Company. Rumors of this combine have been current along the Main Line for several weeks, but Mr. Woolman declared that the final details of the deal were not completed until this week. The combine was effected by an exchange of stock by the companies involved.

The Supplee-Willis-Jones Company is now reorganizing the Highland Dairies. William J. Murphy will remain as manager of the Highland Dairy unit of the company.

While established dairies were joining up with larger companies, Milk It costs a man a lot to live up to his ideals. That's the reason many a man can't afford to get married.

IRISH-AMERICANS DANCE

Thursday night the sprightly strains of Irish jigs were heard from Elm Hall, together with music for other more modern and domestic styles of terpsichorean display.

The occasion was the first weekly dance of a group of Irish-American ladies and lasses, coming from all parts of the Main Line. Music was furnished by the United Irish orchestra. The attendance on the opening evening was 160.

This Thursday night series of dances is being run to provide amusement for any local sons or daughters of Erin and their friends. The Narberth man behind the plan is H. M. Murphy, of Conway avenue, in co-operation with James Michael, of Garrett Hill.

The FIRESIDE

Miss Honora Snyder, of North Narberth avenue, entertained a few of her friends at a sewing tea last Wednesday afternoon. Her guests included Laura Winters, Hope Burlingame, Betty Cook, Martha Metzger and Pat Wohler.

Mr. and Mrs. Edwin Anderson and small daughter, Sonia, are occupying their new apartment at the corner of Dudley and Windsor avenues.

Mrs. John A. Caldwell entertained the members of the Thimble Club last Wednesday at her home on Elmwood avenue. Her guests included Mrs. E. H. Sicks, Mrs. Henry Rose, Mrs. James MacMackin, Mrs. Albert Brown, Mrs. John Van Ness, Mrs. Robert Durbin, Mrs. J. Brazier Purse and Mrs. A. Wilson.

Miss Louise Tait, daughter of Dr. and Mrs. Charles Tait, of Overbrook, spent last week-end in Narberth as the guest of Miss Helga Wohler.

The first fall meeting of the Lantwyn Lane Association was held last Wednesday evening at the home of Mr. Clifford D. Goodwin. The plans of the association have not been definitely decided upon for the coming season, but will probably carry out the same ideas as those of the previous years—that is, to foster good fellowship among all the residents, and keep up the ever attractive appearance of the Lane and its homes.

Miss Dorothy Durbin was the guest of Mr. and Mrs. Elmer Bimis, of Drexel Hill, last week-end. Mrs. Bimis before her marriage was Miss Sidney Bolich.

Miss Mary F. R. Chalfant, of 128 Chestnut avenue was one of the guests at the annual reception in honor of the Faculty, given at the Caskin School in Devon, last Thursday.

Miss Peggy Campbell, of South Jona avenue, was one of those who enjoyed the breezes at Atlantic City last week-end.

Friends of Dick Stites, son of Fletcher W. Stites, will be glad to hear that he is recovering rapidly from his recent serious illness at his home on Haverford avenue.

Mrs. Aloysius Greenawald, of Narberth avenue, recently entertained her sister and brother-in-law, and niece, Mr. and Mrs. Stephen Wenger and Miss Betty Lane Wenger.

Mr. and Mrs. John W. Marsh and small son, Bobby, of 301 Grayling avenue, motored to Atlantic City last week to see Mr. Marsh's brother, and family, Mr. and Mrs. Joseph R. Marsh, who are being congratulated on the birth of a son, Joseph, Jr.

Miss Martha Sunderland, of Hampden avenue, and Miss Eleanor Knauer, of Lantwyn lane, are week-end guests at Penn State College.

Mrs. Walter Scott, of Lantwyn lane, is entertaining her mother this week.

Mr. and Mrs. William E. Boryer and daughter will move today from Merion avenue to their new home on Righters Mill road in Gladwyne.

Mrs. H. C. Fenno, of Essex avenue, has returned from Cassayuna Lake, New York, where she spent the summer.

Mr. R. S. Touhill, of Bowman avenue, returned home last week, after accompanying Mr. W. L. Dambach and family on a tour through New England and Quebec.

Mr. and Mrs. B. R. Braisted are spending several days as guests at "The Cavalier" at Virginia Beach, Virginia.

On Wednesday Mrs. Eberhardt Mueller, of Essex avenue, entertained three tables at luncheon and bridge.

Mrs. Harry A. Jacobs, of Essex avenue, is back from a summer at Ocean City.

Mrs. A. W. Burns, of Woodside avenue, entertained at luncheon and bridge on her lawn on Thursday.

Among the guests were: Mrs. Edith Arnold and Mrs. James McNiven, of Ardmore, and from Narberth Mrs. Harry L. Parks, Mrs. Thomas Manning, Mrs. Edgar H. Cockrill, Mrs. William Livingston, Mrs. L. B. Edger-ton, Mrs. William Rogers, Mrs. G. B. Michener, Mrs. R. D. MacGuffin, Mrs. Henry Smith, Mrs. D. Warren Wright, Mrs. James K. Laughlin and Mrs. Thomas E. Laughlin, Mrs. William McNiven, Mrs. James C. Keenan, Mrs. Louis Sheneman, Mrs. Walter A. Kelley, and Mrs. C. C. Tyson.

TO ATTEND RALLY

Many of the parishioners of St. Margaret's Church have planned to attend the annual rally of the Holy Name Union, which will take place tomorrow (Sunday) afternoon at 1 o'clock in Shibe Park, Philadelphia.

The gates will open at 1 o'clock and on account of the numerous "rallying" which is expected, the officers of the local society stress the advisability of an early arrival on the grounds, as no seats are reserved, and it is not practicable to make arrangements which will permit the grouping of parish units.

FREEMAN EXPLAINS FIVE POINT THEORY

Rotary Hears Manufacturing
and Marketing Methods
Expounded.

MANY ATTEND DINNER

Five point merchandising—a hard-and-fast theory of manufacturing and marketing, was expounded Tuesday night to members of the Bala-Cynwyd-Narberth Rotary Club and to a large gathering of guests.

The speaker was Arthur Freeman, general manager of the Gimbel Store of Philadelphia. His presence was obtained by Ralph S. Dunne, chairman of the Business Methods Committee.

The five points brought out were Product, Market, Advertising, Distribution and Financing. These headings, the speaker said, covered every phase of wholesale and retail business, fully applicable to local conditions.

The product must be good, must compare favorably with others filling the same need, must have a proper package, and must of itself fill a want.

The market must be studied, he said, so that it would be in harmony with the other points. The seller must know whether he is appealing to men or women, young or old, rich or poor, and fit his other points to the market. The market, too, must not be extended beyond the limits of the other factors.

In a local way, he said, merchants must follow this rule. As an example—it would be foolish for a Cynwyd merchant to attempt to serve Wayne, or for a Wayne coal man to deliver his product to Narberth, across the street from Narberth's own coal yard.

The merchant must keep abreast of changing markets and fit his product to new conditions. He must also know it all times who buys his product and where they live.

"Advertising," he continued, "is not selling; it is telling." Advertising consists of a message and a vehicle, and both must be studied in relation to other conditions. The advertising man must himself be a merchant. The medium must be studied in respect to reader quantity and quality, the time of receipt and the cost of the space.

Distribution, while not so great a problem in small communities, is a dominant one in the national field. Mr. Freeman told of the course of a bale of cotton, grown in the South, spun in New England, made into dresses in Philadelphia, placed in stock in Chicago, and finally reshipped to the purchaser, who might be the wife of the original cotton grower.

Such conditions give rise to waste, which is being attacked by the establishment of smaller plants throughout the country, closer both to raw material and market.

Capital is necessary to tie these other factors together, he said. It must be wisely handled. Few failures occur, he said, because of lack of capital, but rather through defects in the other four points.

Guests included seven members of the Conshohocken Club, six from Ardmore, and many non-Rotarians. John I. Cabrer, of Narberth, made a brief speech in a plea for a cessation of "bigness" and excitement in favor of more substantial and quiet things.

ELECTION FIGURES COMPLETED

In reporting the primary election figures for Narberth in our issue of two weeks ago, some of the figures were incomplete.

The returns were obtained from the county offices in Norristown, and, as we stated at that time, did not include Democratic returns for the second district in several contests.

The only important omission was that of the vote for Assessor, in which the returns for the first and third districts showed 26 for Frank A. O'Brien and 23 for E. C. Griswold. In the second district the count shows Mr. Griswold polled 23, and Mr. O'Brien but 13, making the total vote on the Democratic ballot for Narberth, Griswold, 46; O'Brien, 39.

The result of the primaries, therefore, shows that Mr. Griswold, as previously indicated by the unofficial figures, was nominated on both the Republican and Democratic tickets, practically assuring the absence of any contest next month.

It is true love if it endures after nearing her describe 82,942 different things as "perfectly precious."

Was Warmest October 1, But Did Not Last. Gale Cooled Main Line

Trees, windows and electric wires suffered damage Monday night late, when a gale of nearly hurricane velocity swept over the Main Line. Trees were uprooted, branches snapped off, windows shattered and lines blown down as a high wind, accompanied by a torrential downpour of rain, began shortly after midnight.

Many motorists were forced to abandon their cars and seek shelter during the height of the downpour. The precipitation on the Main Line during the storm was 1.62 inch, and for the week, 1.87 inch.

The barometer declined with great rapidity during the storm until it reached 29.52, and then it started to rise with almost as great speed, according to Main Line Weather Ob-

Residents Continue Discussion of Possibility of Return to Township

Letters Show Interest in Topic, But Public in General Seems to Be Apathetic.

Comment continues on the subject of Narberth's possible merger with Lower Merion township. In addition to the three letters received last week, two of which were held over for lack of space, a further communication has been received from councilman nominee Edward S. Haws.

So far, all of the discussion has turned around Narberth's attitude toward the plan. Would Lower Merion "take us?" In order to answer that question several township officials were approached on the question.

They expressed the belief that the borough would be welcome should it desire to rejoin the township, and that such action would be mutually beneficial. The general township attitude seems to be that though there may not be any immediate move on the part of Narberth to come back to Lower Merion, that eventually there will be. Narberth commenters counter by pointing out that Lower Merion has always, ever since the original break, adopted the attitude that the borough would be back, but years have passed and the borough is still on its own.

The local attitude, however, is distinctly apathetic, despite the group of letters. This week the first letter is that of Walter J. Odiome, whose comment was brutally beheaded last week when the article was divided. We reprint it in full:

Mr. Odiome's Letter.

To the Editor of "Our Town":
I have read, with interest, the letter of C. P. Cook regarding the advisability of the borough of Narberth rejoining with Lower Merion township.

When I first came to Narberth we were then a part of that township and I cannot see that we now have anything that Lower Merion does not have, except a Burgess and Council and higher taxes.

In addition to paying taxes in Narberth I am paying \$100 for one of my children at the Merion School, on Bowman avenue, and \$175 for another child at junior high, eighth grade.

As this girl has been attending the Merion School for two years, it was not fair to take her away from her class and friends to go to Narberth for one year.

There was never any objection to the Narberth School, but we lived very near the Merion School and a very long distance from the other school, and had we been a part of Lower Merion township, the children would naturally go to the nearest school.

Mr. Cook's remarks regarding the Lower Merion police force and their high school, for the benefit of Narberth, are well taken and I hope he will waken "Aunt Lizzie" if that will help get us back where we belong.

WALTER J. ODIOME.

The third communication was received from Arthur W. Burns, of Woodside avenue. Mr. Burns was identified with the group some years ago who defeated the school loan, compelling the first school combination with Lower Merion. His letter, which follows, presents various figures showing, he claims, a saving in taxes by annexation:

Mr. Burns' Letter.

To the Editor of "Our Town":
Mr. Cook's article in your last issue advocating the dissolution of our borough government and reverting politically into the township projects a question that has been in the minds

of many citizens of the borough for a good number of years.

Five years ago the writer took it upon himself to investigate the possibility and feasibility of consolidating our high school with that of the township. As soon as it was found that the township would receive our high school enrollment a large number of earnest and energetic citizens joined the movement, financed a campaign for the purpose of getting all the facts obtainable before the voters and the project was brought to a successful conclusion within a few months.

This has resulted not only in a big saving to Narberth taxpayers (an increase of \$163,000 in the school indebtedness was avoided), but our boys and girls of high school age have since enjoyed the superior advantages of the Lower Merion High School.

At that time the question was often raised—"Why is Narberth a separate political entity—surrounded as it is on all sides by communities functioning under a common township government? What particular advantage is inherent to the Narberth resident over his Merion neighbor by virtue of his political separation?" The first duty imposed upon a community is to afford the means of free education to all children between the ages of 6 and 18 years. This is usually the largest single item of expense and therefore, where the majority of the taxpayers' dollars go. The township in which we reside maintains one of the finest public school systems in the State, but due to our political separation, our children are denied these superior school advantages.

Believing that the great majority of our citizens were motivated by a desire to afford more healthful surroundings for their children in seeking the suburbs, in the first place—I give the school situation first consideration here.

Now let us examine the financial aspects of maintaining local self-government. The basis of assessment of taxable property is the same in both borough and township—1-3 of the price the property would sell for within a reasonable time at a regularly advertised sale. In Narberth the borough tax rate is 24 mills, the school tax rate is 19 mills. A per capita school tax of \$5 is levied in both township and borough and the county tax rate of 3 mills is obviously the same so that in the following comparisons these two items balance and can therefore be ignored. The township school tax rate is 15 mills and township tax (corresponding to our borough tax) 12 1-4 mills.

In both township and borough garbage removal is provided for by public expense, but in the borough we also have our ashes collected at public expense. (I beg Mr. Cooke's indulgence here; i. e., said ashes must be placed outside the building.)

In the borough also all sewer rentals are paid by the borough, whereas in the township there is a sewer tax. I am taking as a composite cost on the last two items the experience of three township residents with widely diversified locations. The composite cost of ash collections were \$12 per annum—and this included the removal of the ashes from the furnace room. The composite sewer tax amounted to \$2 per year. Now let us take the case of a citizen with an assessment of \$3000:

APPOINT WILSON NEW SCOUTMASTER

Active Season in Local Patrol
Is Now Under
Way.

ONLY 106 HELP TROOP

John B. Wilson, son of Mr. and Mrs. Adam H. Wilson, of Wayne avenue, has been appointed scoutmaster of the Narberth Boy Scout Troop, according to an announcement made this week by officers of the Father's Association.

He will have as assistant scoutmasters Arthur L. Cooke, James McCutcheon and James Hutchinson. W. Russell Green is the new chairman of the troop committee, succeeding C. M. Little, who has moved from Narberth.

The appointment of a new scoutmaster was made necessary by the resignation of Benjamin J. Cook, who gave as his reason increased duties at the school. His work with the scouts, however, served to increase interest in many phases of scout activities.

The active season in scouting has begun. During the summer some 24 boys spent one, two or more weeks at Camp Delmont and a number of fathers were up on visits. Several boys spent most of the summer there and expressed themselves delighted and they have indicated benefits derived by increased efficiency in scout work.

In this connection, the treasurer's books were audited by Mr. H. S. Keim, for the period ending July 1. This report to be printed in an early issue do not indicate the 1927 camp expense nor the expense incurred at the local Camp Pennhurst. This past year only 106 residents of Narberth contributed to the scout work, which is the low water mark for a number of years, in spite of the excellent work done by the scouts under the leadership of Mr. B. J. Cook.

At the meeting last Friday some 47 boys attended and a number of tests were passed and contests run off. Water boiling was won by Dick Toomey and Jim Bailey. Knot tying, Tenderfoot by Vincent Parke, Second Class by Bob Hutchinson, and First Class by Jay Thomas.

There were some eight or 10 fathers out at the meeting Friday and this attendance by the Fathers is appreciated.

EAKE SALE

Pies, cakes, Dutch cakes and crullers will be sold in Mr. Dando's store on Saturday morning, October 15, by the Ladies' Aid Society of the Holy Trinity Lutheran Church.

CHELtenham WILL GIVE HARD FIGHT

Outweighs Maroon and
White, But Adam's Men
Show Promise.

DOWN QUAKERS 19-18

Coach Adams Maroon and White grid men meet their first real test tomorrow, when the strong Cheltenham team journeys to Ardmore for the annual game between these schools. Last year Cheltenham came out on top for the first time in seven years. Leon Whitlock, Cheltenham's scrappy little quarterback, literally ran wild to score three touchdowns, which won the game, 20-0.

This year the Maroon and White squad is out for revenge. Cheltenham is without the services of Whitlock, who graduated in June, but it still has a formidable lineup. Lower Merion will be slightly outweighed, especially in the line, but the fight and pepper of the team should make up for this difference. The line-up for the game is still uncertain, but there will probably be several new faces seen in the game.

Last Friday Captain Cook and his mates gained their second triumph of the short gridiron season when they handed Penn Charter a 19-18 setback at Queen Lane. More than 3000 rabid football fans lined the oval of the Little Quakers' field to see one of the most thrilling games of the infant season. It was a brilliant contest packed full of thrills to its closing minutes.

To Parker Lloyd and Bill Meays go all the laurels of the game. Lloyd, substituting for Tyson at quarterback, maneuvered the team in splendid fashion. His speedy ball totting was a big aid in the ultimate victory.

At the start of the game Lower Merion received a big break when Penn Charter fumbled the ball on its own 30-yard line. From this point Tyson and Smith worked the ball to within only one yard of the enemy goal line, only to have Scott fumble on the last thrust at the line, with Penn Charter recovering it.

It was a fine game to win and a hard one to lose. It should act as a tonic for Lower Merion's future battles. Richardson, Captain Cook and D'Amora all played good defensive games for Lower Merion. Tyson and Smith, on whom Coach Adam depended, did not show up so well, perhaps because Friday was an off day for them Barclay and Purse, the two ends, were benched. D'Amora and Bowman taking their places.

KING'S DAUGHTERS MEET

The Evangel Circle of King's Daughters held a successful and well-attended first fall meeting this week. It was decided to have Bible Study in connection with the sewing.

A rummage sale will be held October 26 and 27. Those having rummage are asked to call Mrs. J. T. Darlington, Narberth 3932-W.

TO DISPLAY OLD BIBLES

Family Bibles, some of which have been in Narberth families for generations, will be on exhibition at the Baptist Church Sunday. A number of interesting books have been promised.

The display of the rare, old Bibles will accompany a sermon on "The Family Bible," to be delivered by the pastor, Rev. Robert E. Keighton, at the 11 o'clock service.

BAZAAR

A bazaar under the auspices of the Ladies' Aid Society of Holy Trinity Lutheran Church of Narberth will be held on Saturday, December 3.

The doors will open at 10 in the morning for the rest of the day and evening. This will be an opportunity for those who wish to avoid the crowded streets of the city to do their Christmas shopping near home and at the same time help a good cause.

Mr. John Caldwell has offered for the bazaar any of his stores on Haverford avenue which may be vacant at that time. Watch for a display.

FIRST MEETING

The first meeting this fall of the Women's Auxiliary of the Narberth Presbyterian Church will be held on Thursday, October 13, from 10 to 4. Luncheon will be served at 1 o'clock. Articles for the coming anniversary sale at the "Home for Widows and Single Women" will be brought in to this meeting. All the women of the congregation are cordially invited to attend.

NEEDLEWORKERS TO MEET

The regular meeting of the Narberth Branch of the Needlework Guild will be held all day Wednesday, October 19, at the home of Mrs. A. G. Compton, 98 Woodbine avenue. Every woman in Narberth is invited to attend; for there will be a discussion of plans for the annual meeting.

LeRoy A. Worrell has sold for Samuel K. White a Dutch Colonial corner property on Glenwood road, Merion. The property was held for sale at \$15,000, and has been purchased by Quintin Todd Dickinson, who will occupy it as a residence.

The question of our being obliged to pay the indebtedness of the borough has been raised. As I recall it (at the time of the high school campaign we had counsel look this up) the borough debt could not exceed the township debt based on percentage of assessed valuation of real estate. Our borough liabilities over assets (auditor report of December 31, 1926) was \$48,843.90. Our school indebtedness is, I believe, about \$74,000 and it would seem that our school building and fixtures would at least offset that. However, let us assume to be on the safe side a total borough and school debt differential to be carried and amortized of \$80,000 with interest at 4 1/2 per cent. and 3 1/3 per cent. for sinking fund requirements (the amount being now paid). This would add to the Narberth man's tax bill (until the debt was liquidated) \$6264 per annum—or a tax rate, based on the assessed valuation of taxable property and occupations in Narberth of \$4,473,870 of .0014 plus per cent. or an annual tax of \$4.20. Adding this, then, to the township resident's tax of \$95.00, we have for the Narberth resident, with borough dissolved a total tax of \$99.20 against his present bill of \$129.00 (remember county and per capita taxes are the same in both cases and therefore not included) or a net saving of approximately 30 per cent. A still more important financial consideration is the fact that Lower Merion township is developing rapidly, while Narberth is nearly all built up. The trend of this situation is evidenced by our borough tax increase from 15 to 24 mills in five years. Had not our high school enrollment been embraced by the township schools and had the loan project of five years ago carried, our school tax rate would have been about equal to the borough rate at this time. Now, Mr. Cook, while I have transgressed somewhat on the garbage and ash domain, I still am bold enough to ask critics of my

Mr. Haw's Letter.

To the Editor of "Our Town":

The letter written recently by our friend, Chester P. Cook, bringing to the fore the question of Narberth joining Lower Merion township, is deserving of serious consideration by our citizens. Mr. Cook is undoubtedly sincere in his desire to promote a movement which would be to the best interests of all concerned, chiefly from a monetary standpoint, and would not doubt affect the views of many in its favor if it can be demonstrated that there would be a considerable saving in taxes.

There are other considerations, however, which to my mind are equally, if not more important than the saving of a few dollars. There is considerable satisfaction in having our own citizens whom we choose for the purpose,

and as one who has resided in the borough for more than 25 years, I believe the work of our Burgesses, Council, Street Commissioners, etc., has been, on the whole, very ably done, and we find our town after 30 years of home rule in a high-class condition as to streets, sidewalks, lighting, drainage, etc., in fact, a most satisfactory place in which to live, and it would require, I believe, some very convincing arguments to cause our people to present a "united front" in the Court proceedings that would be necessary in order to merge with the township.

It may be sentiment to some extent with me, and I believe there are many others who have similar feelings, but we (I include my good wife) have raised our children in Narberth, sent them to the Narberth schools from first grade to graduation with entire satisfaction, have lived through and enjoyed the many changes and improvements that have come to our schools, churches, civic organizations and the borough in general, not forgetting the establishment of a town paper which has been of great help at all times and the establishing of free delivery mail service during the ad-

ministration of a Democratic postmaster, and we feel that we came to the right town 25 years ago.

I shall be interested in reading any further discussion of this subject from those interested on either side of the question.

SELECT NAMES

For November Grand Jury—Many Cases Tried at Norristown.

Five names from Lower Merion, and one from Narberth were selected at the end of September term of criminal Court last Friday, to report October 31 for duty on the November Grand Jury. They are Elmer P. Alt-house, Sr., Charles Starr, Emma Dunlap, Ethel Smith, Charles Ash, all of Lower Merion; and William H. Lewis, of Narberth.

Many cases, civil and criminal, for the township and the borough have been considered the past weeks in Norristown. The Civil Court Judges Williams and Knight, have been assisted since Monday by Judge Samuel E. Shull, President Judge of the Forty-third District, comprising Monroe and Pike counties.

THE NEW ERA IN
TELEPHONE COMMUNICATION

IN seven years, the time consumed in making an out-of-town call has been cut to less than half.

Nearby points are now reached just as on local calls. That spells CONVENIENCE.

In 1920 it required about fifteen minutes to reach a city two hundred miles away. Today, the nation-wide average time is five minutes, and few calls require as much as ten. That spells SPEED.

Last year alone the amount of telephone "trouble" was reduced 17%. Storm- and trouble-defying

cables are fast replacing open wire lines. That spells DEPENDABILITY.

Canada, Cuba, and now parts of Europe and Mexico are within talking distance. That spells GREATER SCOPE.

A more convenient, a faster, a more dependable service, and a service which reaches almost the entire English-speaking world.

And it did not "just happen." Fifty years of research, study, development, experiment, and experience are responsible for this new-era telephone service.

You Need *Never* Change Your Oil
if You Own a Buick

Last year Buick said: "Change your oil only four times a year." Buick tests at that time had shown that oil changes would *never* be necessary, with the Oil Filter to remove impurities, and the Crankcase Ventilator to prevent oil dilution.

Now, more than a year has passed, and Buick owners in every section of the world—under every climatic condition—have also proved that you never need change your oil if you own a Buick—replenishment and inspection of the Buick Oil Filter only are required.

Church Notes

Baptist Church of the Evangel.

Robert E. Keighton, Minister.
Sunday, October 9:
9:45 A. M.—Church school. Special rally day service of the whole school and church, culminating in the morning worship.

11:00 A. M.—Morning worship. Sermon: The Family Bible. We are planning an unusual service. The members of our church are to attend in family groups, to each of which a New Testament will be presented by the church school. On the pulpit will be an exhibition of the rare, old family Bibles our folks have used through several generations.

Concurrently with this morning service there will be a day nursery downstairs for the wee little folks.

7:00 P. M.—Young people's devotional service. A live meeting discussing "Young People and the Local Church."

7:45 P. M.—Evening worship. Sermon: Has the Church Done More Harm Than Good?

This is the second question raised in Bruce Barton's latest book. We shall consider, also, the answer given in "God and the Grocerman" by H. B. Wright.

Tuesday, October 11:
8:00 P. M.—Trustees' meeting in the church.

Wednesday, October 12:
8:00 P. M.—Prayer service. Topic: "The Witness of God." Exposition of the fifth chapter of John's Gospel.

FIRST GRADUATE

Member of Library Staff Enrolled for Work at Columbia.

The library has the pleasure of seeing one of its volunteer staff enrolled in a library training school with the purpose of making library work a permanent profession. This is Mr. Eugene Gilroy, son of Mr. and Mrs. John Gilroy, of Essex avenue, and for the past year a member of the staff on duty on Friday evenings. Mr. Gilroy has entered the Library School of Columbia University in New York City, having met all the requirements including a year of service in an established library. His contribution to the library work in Narberth has been very valuable and it is with regret that the library sees it terminated.

The Graduate Library School at Columbia now ranks as the foremost in the country and the entrance requirements are rigid, including not only a college degree, but also indications of personal adaptability as well. It would be ungracious and untruthful for the Community Library to claim more than a contributory part in Mr. Gilroy's being accepted and enrolled at Columbia, for his personal qualifications and the classical training which he had received at Villanova were, of course, the determining factors. Nevertheless the Narberth Library feels much satisfaction that the first "graduate" whom it certified to Columbia was accepted and it is confident that he will reflect credit there and later upon all who have in any way contributed to his preparatory training.

Mother Margaret Mary; Merion Convent Superior

Mother Margaret Mary, superior at the Sisters of Mercy in Merion, died Saturday night following an illness of two weeks.

She had been superior at the Merion Convent since May, 1922. Prior to that time she had been a teacher in the Academy of the Convent of Mercy at Broad street and Columbia avenue. She had been in religious work forty-eight years.

Mother Margaret Mary, whose family name was Byrne, was born in Philadelphia.
